## Submission for Funding

The Peaceful Bay progress association is seeking funding to purchase a 4WD Quad Bike to assist in maintenance of the drainage system at Peaceful Bay and submit this request for consideration at the next Shire of Denmark Council meeting.

### Rationale:

The Shire of Denmark completed a comprehensive clean out and definition of the drains surrounding the Peaceful Bay village and freehold areas in 2011 and the Progress Association undertook the task of maintaining the drains. In order to do this we require the necessary equipment to cope with wet conditions without becoming bogged and the sloping nature of the terrain so our efforts have maximum effect and can be carried out safely.

### Equipment required:

1 x Suzuki 4 WD bike	7490.00 (inclusive of GST)
On road costs: Lights and Registration	540.00
1 x trailer with 4 metre boom and wand	823.00
	<hr/>
TOTAL	\$8853.00
	<hr/>

We hope our submission will be considered favourably and look forward to hearing of Council's decision in the near future.

Yours faithfully,

Don Hodgetts  
PRESIDENT
